"The title of this book captures one of the most commonly explored issues that I have dealt with in my office over

Online Library Answers For

the past three decades as a practicing clinical psychologist." Thus begins Dr. Broder's wise and compassionate guide to assessing a faltering love relationship, and answering the fundamental question asked by the book's title. Broder addresses individuals and couples in marriages, or any

Online Library Answers For

other type of love relationship or romance -- long- or short-term, and of any sexual orientation. His 40-item "Can Your Relationship Be Saved?" Inventory asks the right questions. But readers are not left there. The chapters that follow gently guide them in exploration of what is likely to happen if...?

Online Library Answers For

What if I go? What if I stay? Readers will find direction in answering those questions for themselves, and the information and strategies to help them act on their decisions. Can Your Relationship Be Saved? speaks--in a warm, unabashedly upbeat and optimistic manner--directly to the painful ambivalence that

Online Library

Answers For

results when you are unable to determine how you really feel. Broder's guidance is packed with practical road maps and direction finders, avoiding glibness, cliches, pat answers or "someone else's value judgments that will rarely hold up for you in the end."

The following morning I

Online Library Answers For

woke up feeling terribly blue. I was afraid that Ben would never phone me. "I'll phone you some time" --a guy can easily say that to a girl, even if he has no interest in her and never plans to see her again. I stayed in bed until my mother left for work. I didn't feel like talking to anyone. Then I washed and had a small

Online Library Answers For

breakfast. I thought about phoning Joyce, but I couldn't think of what to say to her either. I felt so downhearted. All I could think about was Ben. What did I do to make him never want to see me again?

Ownership is on most people's lips these days, or at least the lack of ownership. Everywhere

Online Library Answers For

people seem to be fighting over what is theirs. They want to take back their property, their lands, their liberty, their bodies, their identity, and their right to do what they want. These demands are quite remarkable when you consider that ownership is not an observable property but rather an abstract concept. And

Online Library Answers For

yet this abstract concept
controls just about
everything we do, and
rarely do we stop to
consider how it rules
our lives. Ownership
even explains the anger
and political turmoil
that is currently
sweeping over Western
democracies: people
feel they have had
something taken away,
something they used to

Online Library

Answers For

own in the past and
want back. Possessed is
the first accessible book
to consider the

psychological origins
and future of ownership
in a rapidly changing
world. It reveals how we
are compelled to
accumulate possessions
in a relentless drive to
seek status and approval
by signalling our values
to others by what we

Online Library Answers For

own. It traces the history of ownership but looks to the future as our drive to own will need to adapt to environmental and technological change.

"This book has been adapted from the book Just like ice cream by Lissa Halls Johnson"--T.p. verso.

Online Library Answers For

What do you do when your marriage is so unhappy that you begin to fantasize about your husband's funeral?

That's how bad it got for Alisa Bowman. . . So she launched a last-ditch effort to save her marriage. Project: Happily Ever After is her fearlessly honest and humorous account of how she went from

Online Library Answers For

being a "divorce
daydreamer" to
renewing her wedding
vows -- and all of the
steps in between. From
bikini waxes to erotica,
romance instruction
manuals to second
honeymoons, the silent
treatment to power
struggles, she goes
where many marriage-
improvement gurus
have feared to tread.

Online Library Answers For

Equal parts funny, poignant, and most importantly, useful, Bowman's story will give other miserably-married folks courage and hope. And in addition to telling her own story, she packs straightforward prescriptive guidance, including a "10-Step Marital Improvement Guide." Readers will

Online Library Answers For

laugh. They'll cry. And
they can start on the
road toward their own
happy ending!
