The Open Banking movement, heralded by Europe's second Payments Service Directive and the United Kingdom's Open Banking Standards, has the potential to accelerate the unbundling of banking in the regions where it applies, leading to increasingly intense competition over the next few years. The requirement for banks to share data and provide access to consumer and small-business accounts ...

Banking Strategy, Credit Appraisal, and Lending Decisions ...

The credit risk strategy, as well as significant credit risk policies, should be approved and periodically (at least annually) reviewed by the board of directors. The board needs to recognise that the strategy and policies must cover the many activities of the bank in which credit exposure is a significant risk. 10.
