On the road to becoming a successful entrepreneur, Bob Diener confronted a lot of tough issues: how to treat employees, how to please customers, whether or not to cut corners, whether to follow the temptation of an unsavory deal... Although he had no formal business training, Bob found solutions to all these issues and reached the top using a simple strategy that is available to anyone. His secret? Careful study of "the best guidebook to running a successful business ever written": the Bible. Difficult dilemmas become easy when viewed from the biblical perspective. "Our work is meaningless unless to do good," counsels the Book of Ecclesiastes. Companies that abide by the Bible's rules of business tend to be the ones that prosper long term. Companies that cheat their workers and partners, defraud their customers, and operate unethically don't stay in business very long.You too can become a successful entrepreneur by following the tips, strategies, and bibical principles outlined in this exploration of best practices for market research, labor management, business negotiations, risk mitigation, watching the bottom line, and, perhaps most important of all, leaving a lasting legacy.Bob Diener and his partner David Litman created the company that became hotels.com, which pioneered hotel distribution online. When Bob and his partner took the company public in 2000, the stock price soared from \$16 to \$90 in one of the most successful IPOs ever. Having gone on to cofound getaround.com, Bob is a familiar presence on national media outlets, offering his sage advice on the travel industry.

John Edmund Haggai, founder and president of the Haggai Institute for Advanced Leadership Training, says the Bible's instruction for success often contrasts sharply with the world's advice—and it is this difference that makes all the difference for those who follow it. With clear steps, Scripture references, and encouraging examples, Dr. Haggai presents 13 profound principles based on God's Word that lead each reader to a radically different, eternal approach to true success and fulfillment: Beware the team of one. Believe you can because you know you can't. Enjoy failures—they're good for you. Keep it simple. Be famous for being good. This practical, biblical, and thoughtful guide will inspire readers at every stage of life and in all vocations and occupations to walk in God's will toward great things and godly legacies.

You can have a profitable business based upon Biblical principles, without sacrificing integrity, honesty, or profitability. There are certain principles that when applied work universally to prosper a business. These principles were put in to place by God for His creation to use. God designed this world to best operate under His laws. When we follow His laws things tend to go well. When we break His laws we get broken. Most secular business books and self-help books fall short because they extol the strengths of men and do not go far enough in giving the glory to God. Some have even taken God's principles and taught them as if they were their own or have given credit to some unnamed higher power. God laws are for the seen and the unseen or what we call the physical and the spiritual. Even non-Christians experience blessings when they apply God's principles in both the physical and spiritual realm. The sad part is they don't give Him glory when things go well. (But when things go bad you often hear them taking His name in vain.) We want to encourage Christian Business Owners to boldly give credit to our God who put these laws into place, who created us with the amazing abilities and capabilities of our mind, soul, and body and who gives us the very breath we breathe to live and prosper. One amazing thing about our God is His great mercy. Even when the world does not give Him the glory He deserves, He still blesses them. Jesus said that the Father sends His rain on the just and on the unjust. And Paul the Apostle tells us that it is the kindness of God that leads men to repentance. Our goal as Christian Business Owners is to first and foremost glorify God in our life and business. We choose to acknowledge Him in all our ways.

Offers advice on personal finance and creating wealth based on the principles of Jewish tradition.

An indispensable volume that shows how to succeed in business by using the Bible and its lessons as a source of inspiration and guidance n 1990, David L. Steward founded his company, Worldwide Technology, Inc., on a shoestring budget and borrowed money, well aware of the high-risk nature of the venture he was undertaking. Despite the fact that he was a novice entrepreneur, he was certain he would succeed. Steward believed intensely that God wouldn't let him down. Doing Business by the Good Book shares the inspiring lessons culled straight from the Bible, that Steward used to build his privately held billion-dollar company into a global information technology enterprise.
