Criticism of socialism - Wikipedia

The biggest disadvantage of socialism is that it relies on the cooperative nature of humans to work. It ignores those within society who are competitive and focus on personal gain. Those people tend to seek ways to overthrow and disrupt society for their own benefit. Capitalism harnesses this "Greed is good" drive.

Economic Problems of the USSR. 1. Character of Economic Laws Under Socialism. Some comrades deny the objective character of laws of science, and of laws of political economy particularly, under socialism. They deny that the laws of political economy reflect law-governed processes which operate independently of the will of man.

*Economic Problems of the USSR -
Marxists Internet Archive*

Socialism as an economic/political system, a least in theory, is more biblically rooted than capitalism. Neither system is more godly than the other, but to say the primary problem with socialism is God's absence is not only wrong, it misses the point of the article entirely.
