Personality Traits To Make A Positive Impact On The World Personality Difference Between "Getting By" and Thriving Abraham Maslow put the desire for "self-actualization" at the top of his famous pyramid of human needs. Maslow taught us that we will never really be complete, happy, or satisfied unless we are striving for our full potential. That is why I wrote this book. This book is about thriving as your best self. It's about thriving in a world where so many people settle for average. Other books on personality types include brief descriptions of each type,

Characteristic Traits of this personality type? This book is part of the ID16 Personality Types series. ID16 is a personality typology which draws on the theory developed by Carl Gustav Jung. Typologies formulated on the basis of Jung's theory are widely used in teaching, training, coaching and human resource management, as well as in career and relationship counselling. They also form a basis for numerous programmes supporting personal development and improving interpersonal relationships. The majority of global businesses employ Jungian personality tests as a standard tool in their recruitment
