Japan went to Japan to found the first college-level school of library science in that country. His mission, an improbable success, was documented in an assisted autobiography as Robert Gitler and the Japan Library School (Scarecrow Press, 1999). Subsequent research into initiatives to improve library

# Read PDF Libraries In

Japan during the Allied occupation has revealed surprising discoveries and human interest of the lives of very diverse individuals. A central role was played by a librarian, Philip Keeney, who later became well-known as an alleged communist spy. A national plan, designed for Japan's libraries,

# Read PDF Libraries In

Japan was based directly on the county library system developed by progressive thinkers in California, itself a dramatic story. The School of Librarianship at the University of California and its founding director, Sydney Mitchell, was found to have deeply influenced key figures. The story also requires
