Kate Blackwell is the symbol of success—a beautiful woman who has parlayed her inheritance into an international conglomerate. Now, celebrating her 90th birthday, Kate surveys the family she has manipulated, dominated, and loved: the fair and the grotesque, the mad and the mild, the good and the evil—her winnings in life.

One of Sidney Sheldon’s most popular and bestselling titles, published in ebook format for a new generation of fans.

A perceptive and provocative history of Henry Kissinger's diplomatic negotiations in the Middle East that illuminates the unique challenges and barriers Kissinger and his successors have faced in their attempts to broker peace between Israel and its Arab neighbors. “A wealth of lessons for today, not only about the challenges in that region but also about the art of diplomacy . . . the drama, dazzling maneuvers, and grand strategic vision.”—Walter Isaacson, author of *The Code Breaker* More than twenty years have elapsed since the United States last brokered a peace agreement between the Israelis and Palestinians. In that time, three presidents have tried and failed. Martin Indyk—a former United States ambassador to Israel and special envoy for the Israeli-Palestinian negotiations in 2013—has experienced these political frustrations and disappointments firsthand. Now, in an attempt to understand the arc of American diplomatic influence in the Middle East, he returns to the origins of American-led peace efforts and to the man who created the Middle East peace process—Henry Kissinger. Based on newly available documents from American and Israeli archives, extensive interviews with Kissinger, and Indyk's own interactions with some of the main players, the author takes readers inside the negotiations. Here is a roster of larger-than-life characters—Anwar Sadat,

Golda Meir, Moshe Dayan, Yitzhak Rabin, Hafez al-Assad, and Kissinger himself. Indyk's account is both that of a historian poring over the records of these events, as well as an inside player seeking to glean lessons for Middle East peacemaking. He makes clear that understanding Kissinger's design for Middle East peacemaking is key to comprehending how to—and how not to—make peace.

Veteran legal issues reporter Kim Eisler takes us behind the scenes into mega law firm Williams & Connolly, guiding us on a journey through the many storied cases that have served to shape current policies in public and private sector alike For the past twenty years, author and journalist Kim Eisler has covered the law firm of Williams & Connolly, first at American Lawyer Magazine, then for Legal Times and since 1993 as National Editor of Washingtonian Magazine. More than any other writer, Kim has unprecedented and unusual contacts and relationships with the partners, as well as a background knowledge and familiarity with the firm's history and personnel over the past two decades. In *Masters of the Game*, Eisler sets out to demonstrate how the disciples of Edward Bennett Williams went beyond anyone's expectations and came to occupy key roles in American culture and business. In the last ten years of his life, Williams, the founder of Williams and Connolly, often said he was building not just a law firm but a monument. *Masters of the Game* is not only about a law firm, but about how the philosophy and practices of this particular law firm have spread out beyond Washington to dominate business, finance, sports and the American psyche itself through its influence with past, present and future political, corporate and media figures.

Beloved number one internationally bestselling author Sidney Sheldon introduced the glamorous, scheming Blackwell family and its unforgettable matriarch, Kate Blackwell, in his worldwide bestseller *Master of the Game*. Now a generation has passed, and as the world has changed, so too has America's own royal family. Yet the intervening years have not lessened the Blackwells' drama or talent for manipulation, domination, and passion. Though Kate is long gone, the children of her beloved granddaughters, Eve and Alexandra, battle to carry on her powerful legacy. Each is determined to control Kruger-Brent, Ltd., the multibillion-dollar international corporation with holdings in diverse industries around the globe. But only one can reign supreme. . . . Lexi Templeton is a ruthless competitor with the brains and beauty to match. Raised by her psychiatrist father, Lexi burns to follow in her great-grandmother's footsteps and become her own Mistress of the Game. She is not alone in her ambitions. Her handsome and nefarious cousin, Max Webster, the son of Eve, will stop at nothing to own the prize of Kruger-Brent. Driven by hatred, jealousy, and blinding devotion to his bitter and twisted mother, he will seduce, betray, and even kill to succeed. And there is another player with plans of his own: a little-known descendant of Kate's great-grandfather. Growing up in poverty in Aberdeen, Scotland, handsome and cunning Gabriel McGregor is determined to fulfill his destiny . . . a quest that will lead him deep into the heart of the Kruger-Brent empire. In a family rife with secrets—murder, hidden identities, perversions—and a depraved sense of honor, the player who wins the game may be the only one who will survive. Full of the late master's trademark elements—remarkable characters, dazzling plotting, and a page-turning narrative style—this sizzling sequel vividly captures the master's voice and irresistible magic. Vintage Sheldon, *Mistress of the Game* will enthrall loyal fans and introduce his enduring brand to legions more.

Explains the philosophy of being Master of the Game in role playing games, discusses the problems and rewards, and tells how to establish and manage RPG conventions and how to create an RPG publication

A need colder than Siberian winter meets an attitude hotter than the Florida sun in #1 New York Times bestselling author Kresley Cole's sultry new Game Maker novel, the second installment in the series! Get lost in the sizzling world of the Game Maker series with *The Professional*, book one, and *The Player*, book three! Everyone fears the Master... Rich, irresistible politician/Mafiya boss Maksimilian Sevastyan prefers tall, obedient blondes to fulfill his...complicated desires. That is, until the icy Russian encounters a disobedient brunette whose exquisite little body threatens his legendary restraint. Except her. Catarina Marín was a well-off young wife until her world fell apart. Now she's hiding out, forced to start working as an escort in Miami. Her very first client is beyond gorgeous, but when he tells her what he plans to do to her, Cat almost walks out of the door. If pleasure is a game, play to win. After their mind-blowing encounter burns out of control, the lovers crave more. If they escape the deadly threats surrounding them, can Maksim overcome his past—to offer Cat his future? Only then will she tempt him with what he really wants: her, all tied up with a bow.

"Sixth graders Ralph, Jojo, Noel, Persephone, and Cammi are hooked on fantasy tabletop role-playing games. When they somehow manage to summon their characters to Ralph's house, things take a truly magical turn! The five are soon racing around town on a wild adventure that tests both their RPG skills and their friendship. Trying to convince a sticky-fingered halfling rogue not to pickpocket or a six-foot-five barbarian woman that you don't always have to solve conflicts with a two-handed broadsword is not easy. How will they ever send the adventurers back to their mystical realm?" -- Page [4] cover.
