NOOMA Group 02, Book 005-008 discussion guide is designed to accompany the NOOMA Group 02 DVD and is intended to facilitate discussions based on the themes and questions raised in NOOMA Films 005-008. NOOMA Book 005-008 helps viewers delve more deeply and meaningfully into the issues raised in NOOMA Films 005 Noise, 006 Kickball, 007 Luggage, and 008 Dust. Viewers will explore and discuss issues such as why we are so afraid of silence, why we don't always get what we want if God is such a loving God, why forgiveness is so difficult, and what exactly God sees in us. Watch the films with friends, open the book, and together begin to search, question, and join the discussion.

"An exciting vision of the future" --Michael Eric Dyson Everything Is Spiritual is an unexpected and compelling invitation to see your life in a whole new way. We have the great moments of our lives, the highs, those times when we soar, when it all makes sense, when it feels like it all has purpose and meaning. And then there are all those other moments—the lows and aches and failures and struggles and experiences that leave us wondering what the point of it all is. Are our lives ultimately bits and pieces and fragments—you try to find a little peace and hope and then it's over? Or is there more going on here? In our increasingly polarized and disoriented world, Everything Is Spiritual gives us a radical new take on how it all fits together, how it works, how it's all connected. Part memoir, part extended riff on the quantum nature of reality, part history of the universe, Rob Bell takes us back through the twists and turns and struggles of his story in order to help us see the larger story so that we can reconnect with our story.

Millions of Christians have struggled with how to reconcile God's love and God's judgment: Has God created billions of people over thousands of years only to select a few to go to heaven and everyone else to suffer forever in hell? Is this acceptable to God? How is this "good news"? Troubling questions—so troubling that many have lost their faith because of them. Others only whisper the questions to themselves, fearing or being taught that they might lose their faith and their church if they ask them out loud. But what if these questions trouble us for good reason? What if the story of heaven and hell we have been taught is not, in fact, what the Bible teaches? What if what Jesus meant by heaven, hell, and salvation are very different from how we have come to understand them? What if it is God who wants us to face these questions? Author, pastor, and innovative teacher Rob Bell presents a deeply biblical vision for rediscovering a richer, grander, truer, and more spiritually satisfying way of understanding heaven, hell, God, Jesus, salvation, and repentance. The result is the discovery that the "good news" is much, much better than we ever imagined. Love wins.

Instant New York Times Bestseller Rob Bell, the beloved author of Love Wins and What We Talk About When We Talk About God, goes deep into the Bible to show how it is more revelatory, revolutionary, and relevant than we ever imagined—and offers a cogent argument for why we need to look at it in a fresh, new way. In Love Wins, Rob Bell confronted the troubling questions that many people of faith were afraid to ask about heaven, hell, fate, and faith. Using the same inspired, inquisitive approach, he now turns to our most sacred book, the Bible. What Is the Bible? provides insights and answers that make clear why the Bible is so revered and what makes it truly inspiring and essential to our lives. Rob takes us deep into actual passages to reveal the humanity behind the Scriptures. You cannot get to the holy without going through the human, Rob tells us. When considering a passage, we shouldn't ask "Why did God say . . .?" To get to the heart of the Bible's meaning, we should be asking: "What's the story that's unfolding here and why did people find it important to tell it? What was it that moved them to record these words? What was happening in the world at that time? What does this passage/story/poem/verse/book tell us about how people understood who they were and who God was at that time?" In asking these questions, Rob goes beyond the one-dimensional question of "is it true?" to reveal the Bible's authentic transformative power. Rob addresses the concerns of all those who see the Bible as God's Word but are troubled by the ethical dilemmas, errors, and inconsistencies in Scripture. With What Is the Bible?, he recaptures the Good Book's magic and reaffirms its power and inspiration to shape and inspire our lives today.

A guide to living an authentic Christian life urges readers to seek an expression of faith that is personal, rather than in accordance with the belief systems of others, in a handbook that cites the examples of Jesus while offering a perspective on the unlimited nature of God.

This sixth Faith Lessons volume takes you to Galilee in Israel where Jesus called his first disciples to follow Him. Then on to Priene and Didyma in Turkey where their disciples learned what it meant to follow the Rabbi.

In this ebook download of Walking in the Dust of Rabbi Jesus, Lois Tverberg challenges readers to follow their Rabbi more closely by re-examining his words in the light of their Jewish context. Doing so will provide a richer, deeper understanding of his ministry, compelling us to live differently, to become more Christ-like. We'll begin to understand why his first Jewish disciples abandoned everything to follow him, to live out his commands. Our modern society, with its individualism and materialism, is very different than the tight-knit, family-oriented setting Jesus lived and taught in. What wisdom can we glean from his Eastern, biblical attitude toward life? How can knowing Jesus within this context shed light on his teachings for us today? In Walking in the Dust of Rabbi Jesus we'll journey back in time to eavesdrop on the conversations that arose among the rabbis of Jesus' day, and consider how hearing Rabbi Jesus with the ears of a first-century disciple can bring new meaning to our faith. And we'll listen to Jewish thinkers through the ages, discovering how ideas that germinated in Jesus' time have borne fruit over time. Doing so will yield fresh, practical insights for following our Rabbi's teachings from a Jewish point of view.

What explains the growth of a business, and more broadly the development or decline of a whole economy? What role does a particular entrepreneur or indeed a culture of entrepreneurship play? Does the evidence suggest that a particular structure or organizational form was or should be adopted to ensure best practice and commercial success? These fundamental questions have long preoccupied business and economic historians. With the current expansion of business and management education and training, the investigations and findings of the historian may have wider significance and relevance. This volume has been stimulated by the work of Peter Mathias, one of the leading figures in this field in the post-war period. Here a number of his former students--many now internationally distinguished historians--pay tribute in a book that explores the move from family firms to corporate capitalism. The contributors argue that sustained growth has never been a matter of a few spectacular technical breakthroughs, but instead rests on subtle economic and social transformations--in cultures, in economic organizations, and in the roles of science and technology.

NOOMA is a new format for spiritual direction. It's short films touching on issues that we care about, that we want to talk about, and it comes in a way that fits our world. It's a format that's there for us when we need it, as we need it, how we need it. Audio: English. Subtitles: English, French, German, Korean, Mandarin, Portuguese, Spanish.
