The Ideal Team Player: How to Recognize and Cultivate The ...

The first and most important virtue of an ideal team player is humility. A humble employee is someone who is more concerned with the success of the team than with getting credit for his or her contributions. People who lack humility in a significant way, the ones who demand a disproportionate amount of attention, are dangerous for a team.

What makes the ideal team player? | TrainingZone

In The Ideal Team Player, Lencioni tells the story of Jeff Shanley, a leader desperate to save his uncle's company by restoring its cultural commitment to teamwork. Casey McDaniel had never been so nervous in his life. In just ten minutes, The Meeting, as it would forever be known, would begin. Casey had every reason to believe that his performance over the next two hours would determine the fate of his career, his financial future, and the company he had built from scratch. "How could my life have unraveled so quickly?" he wondered. In his latest page-turning work of business fiction, best-selling author Patrick Lencioni provides readers with another powerful and thought-provoking book, this one centered around a cure for the most painful yet underestimated problem of modern business: bad meetings. And what he suggests is both simple and revolutionary. Casey McDaniel, the founder and CEO of Yip Software, is in the midst of a problem he created, but one he doesn't know how to solve. And he doesn't know where or who to turn to for advice. His staff can't help him; they're as dumbfounded as he is by their tortuous meetings. Then an unlikely advisor, Will Peterson, enters Casey's world. When he proposes an unconventional, even radical, approach to solving the meeting problem, Casey is just desperate enough to listen. As in his other books, Lencioni provides a framework for his groundbreaking model, and makes it applicable to the real world. Death by Meeting is nothing short of a blueprint for leaders who want to eliminate waste and frustration among their teams, and create environments of engagement and passion.

In the years following the publication of Patrick Lencioni's best-seller The Five Dysfunctions of a Team, fans have been clamoring for more information on how to implement the ideas outlined in the book. In Overcoming the Five Dysfunctions of a Team, Lencioni offers more specific, practical guidance for overcoming the Five Dysfunctions-using tools, exercises, assessments, and real-world examples. He examines questions that all teams must ask themselves: Are we really a team? How are we currently performing? Are we prepared to invest the time and energy required to be a great team? Written concisely and to the point, this guide gives leaders, line managers, and consultants alike the tools they need to get their teams up and running quickly and effectively.

Leadership expert John C. Maxwell follows his best-selling The Indisputable Laws of Teamwork with this powerfully succinct companion book, The 17 Essential Qualities of a Team Player. He presents a clear analysis of the personal characteristics necessary for becoming an effective team player. Maxwell's detailed descriptions and many examples are easy to understand and applicable whether at home, on the job, at church, or on the ball field. Inside The 17 Essential Qualities of a Team Player, Maxwell outlines the successes of team players who have been: Intentional- making every action count toward a long-term goal Relational- focused on others Selfless- willing to take a subordinate role for the sake of the team Tenacious- hardworking and optimistic in the face of setbacks Maxwell shows how these qualities, and many others, impact the team and its success. The 17 Essential Qualities of a Team Player is not feel-good platitudes and abstract thinking, but concrete actions designed to improve the value of every team player.

There is a competitive advantage out there, arguably more powerful than any other. Is it superior strategy? Faster innovation? Smarter employees? No, New York Times best-selling author, Patrick Lencioni, argues that the seminal difference between successful companies and mediocre ones has little to do with what they

know and how smart they are and more to do with how healthy they are. In this book, Lencioni brings together his vast experience and many of the themes cultivated in his other best-selling books and delivers a first: a cohesive and comprehensive exploration of the unique advantage organizational health provides. Simply put, an organization is healthy when it is whole, consistent and complete, when its management, operations and culture are unified. Healthy organizations outperform their counterparts, are free of politics and confusion and provide an environment where star performers never want to leave. Lencioni's first non-fiction book provides leaders with a groundbreaking, approachable model for achieving organizational health—complete with stories, tips and anecdotes from his experiences consulting to some of the nation's leading organizations. In this age of informational ubiquity and nano-second change, it is no longer enough to build a competitive advantage based on intelligence alone. The Advantage provides a foundational construct for conducting business in a new way—one that maximizes human potential and aligns the organization around a common set of principles.

Shay was still angry but shrugged nonchalantly as if to say, it's not that big of a deal. "So, what am I wrong about?" "You're not going to want to hear this, but I have to tell you anyway." Liam paused before finishing. "You might be working hard, but you're not doing it for the company." "What the hell does that mean?" Shay wanted to know. Knowing that his adversary might punch him for what he was about to say, Liam responded. "You're doing it for yourself." New York Times best-selling author Patrick Lencioni has written a dozen books that focus on how leaders can build teams and lead organizations. In The Motive, he shifts his attention toward helping them understand the importance of why they're leading in the first place. In what may be his edgiest page-turner to date, Lencioni thrusts his readers into a day-long conversation between rival CEOs. Shay Davis is the CEO of Golden Gate Alarm, who, after just a year in his role, is beginning to worry about his job and is desperate to figure out how to turn things around. With nowhere else to turn, Shay receives some hard-to-swallow advice from the most unlikely and unwanted source—Liam Alcott, CEO of a more successful security company and his most hated opponent. Lencioni uses unexpected plot twists and crisp dialogue to take us on a journey that culminates in a resolution that is as unexpected as it is enlightening. As he does in his other books, he then provides a straightforward summary of the lessons from the fable, combining a clear explanation of his theory with practical advice to help executives examine their true motivation for leading. In addition to provoking readers to honestly assess themselves, Lencioni presents action steps for changing their approach in five key areas. In doing so, he helps leaders avoid the pitfalls that stifle their organizations and even hurt the people they are meant to serve.

In his classic book, The Five Dysfunctions of a Team, Patrick Lencioni laid out a groundbreaking approach for tackling the perilous group behaviors that destroy teamwork. Here he turns his focus to the individual, revealing the three indispensable virtues of an ideal team player. In The Ideal Team Player, Lencioni tells the story of Jeff Shanley, a leader desperate to save his uncle's company by restoring its cultural commitment to teamwork. Jeff must crack the code on the virtues that real team players possess, and then build a culture of hiring and development around those virtues. Beyond the fable, Lencioni presents a practical framework and actionable tools for identifying, hiring, and developing ideal team players. Whether you're a leader trying to create a culture around teamwork, a staffing professional looking to hire real team players, or a team player wanting to improve yourself, this book will prove to be as useful as it is compelling.

Im excited about Faith Driven Entrepreneur. Anyone who is following the example of their creator God can find echoes of their work in this book. Lecrae Entrepreneurship can be a lonely journey. But it doesnt need to be. God has a purpose and a plan for all those entrepreneurial dreams and creative gifts he gave you. The work you do todaythe company youve built, the employees you work with, the customers you serve, the shareholders you report to, all of it serves as an active part of what God wants to accomplish on earth. You are not alone in this journey. Join other faith-driven entrepreneurs as, together, we identify the values, habits, and traits that empower us to successfully build businesses, serve our communities, and faithfully pursue a loving relationship with God; read stories that exemplify how those values, habits, and traits unfold in everyday life; and discover the potential God wants to unleash through our work. Each book purchase includes access to the eight-session Faith Driven Entrepreneur video series, a discussion guide to encourage conversation among peers, and an invitation to join a Faith Driven Entrepreneur Group to meet other like-minded entrepreneurs.
