And with this he created the Rho Agenda, a trilogy where alien technology is available to mankind. The problem is that so many want a piece of the cake – in this case the new technology – and while some are working to benefit the world by advanced technology others seek their own goals.

Richard Phillips - Book Series In Order

The Rho Agenda, series that set up this series of books was very good. However, this time round the story has fell into a cycle of Gung Ho egotism for the characters. Also, some parts of the story feel like I'm reading the "John Carter of Mars" books. While other bits don't really have a reason to be included, other than to pad out the book.
