Goss has walked the walk of transformation. In *The Last Word on Power*, she shares with us the map and the journey. This book will be viewed, from the far future, as the breakthrough that finally broke the back of the corporate principles that have addicted our leaders to power as force, as opposed to power as freedom.

How leaders can achieve something meaningful--transform a brand, a workplace, a technology, themselves--beyond holding an influential position. Do you want to do work that is worthy of your time and talent? Do you want to make your mark on your industry, company, or within your community? Are you satisfied with the fact that reengineering, quality improvements, and other changes never really make a lasting impact? Then you need to go beyond the techniques of improvement and learn the skills that it takes to be extraordinary. The power to be extraordinary is not one we are born with. Rather, it is a power that one can learn, and Tracy Goss helps executives realize this power. Here in this book for the first time, Goss makes her coursework available to the general reader. Goss's unique methodology shows how you how you can "put at risk the success you've become for the power of making the impossible happen." She positions executives to take on the future that they dream about. She teaches how to behave differently so that you are free of past constraints. She shows how you can be at home in the environment in which you are constantly surrounded by threats, and how to transcend the ordinary to make the impossible happen. Her work has resulted in many important life changes and organizational reinventions worldwide. "Goss offers powerful information, far above the glib self-help mush that already lines the shelves. She answers the fundamental question of why management fads do not work: the personal work has not yet been done." --Library Journal

How leaders can achieve something meaningful—transform a brand, a workplace, a technology, themselves—beyond holding an influential position. Do you want to do work that is worthy of your time and talent? Do you want to make your mark on your industry, company, or within your community? Are you satisfied with the fact that reengineering, quality improvements, and other changes never really make a lasting impact? Then you need to go beyond the techniques of improvement and learn the skills that it takes to be extraordinary. The power to be extraordinary is not one we are born with. Rather, it is a power that one can learn, and Tracy Goss helps executives realize this power. Here in this book for the first time, Goss makes her coursework available to the general reader. Goss ' s unique methodology shows how you how you can “ put at risk the success you ' ve become for the power of making the impossible happen. ” She positions executives to take on the future that they dream about. She teaches how to behave differently so that you are free of past constraints. to make the impossible happen. Her work has resulted in many important life changes and organizational reinventions worldwide. “ Goss offers powerful information, far above the glib self-help mush that already lines the shelves. She answers the fundamental question of why management fads do not work: the personal work has not yet been done. ” —Library Journal

Citing the typical ineffectiveness of present-day reengineering, restructure, and quality-improvement techniques, a guide to effective change for executives explains how to overcome constraints and become future-driven.

"Mamoon Azam is an eminent Indian-born writer who has made a career in England--but now, in his early seventies, his reputation is fading, his book sales are nonexistent, and his flamboyant second wife's expensive habits are bleeding him dry. In an attempt to revitalize his career and reputation, Mamoon's publisher commissions Harry, an ambitious young writer, to pen the famous writer's biography. Honored and slightly intimidated, Harry promises himself that he will present an unbiased look at his literary hero--but Mamoon's publisher is after a more naked truth, a salacious tale of the author's life that will generate headlines. Meanwhile, Mamoon is less than cooperative. Vain, breathtakingly cynical, and cruelly manipulative, Mamoon turns out to have a hidden agenda of his own. Harry and Mamoon find themselves in a battle of wills, but which of them will have the last word? The ensuing struggle for dominance raises questions of love and desire, loyalty and betrayal, and the frailties of age versus the recklessness of youth. A poignant and brilliantly entertaining book, THE LAST WORD is a tale of youthful exuberance, as hilarious as it is moving, and is Kureishi's most important work to date"--

Set against the smoky, gaslit allure of Victorian London, this sweetly romantic historical debut is full of humor and stars a whip-smart female heroine ahead of her time. Where one story ends, another begins. 1861. Miss Lucinda Leavitt is shocked when she learns the author of her favorite serialized novel has died before completing the story. Determined to learn how it ends, Lucinda reluctantly enlists the help of her father ' s young business partner, Mr. David Randall, to track down the reclusive author ' s former whereabouts. David is a successful young businessman, but is overwhelmed by his workload. He wants to prove himself to his late father, as well as to himself. He doesn ' t have the time, nor the interest, for this endeavor, but Lucinda is not the type to take no for an answer. Their search for the elusive Mrs. Smith and the rightful ending to her novel leads Lucinda and David around the country, but the truths they discover about themselves—and each other—are anything but fictional. Chosen by readers like you for Macmillan's young adult imprint Swoon Reads, The Last Word by debut author Samantha Hastings is a fun yet intellectual romp through Victorian London—the perfect book for book-lovers. Praise for The Last Word: A Junior Library Guild Selection "Witty, spirited, and utterly swoon-worthy. ... Filled with fierce feminism, impeccable period detail, and a charming romance that's sure to stay with readers long after the last word." —Addie Thorley, author of An Affair of Poisons “ Great voice. Unique premise. ... And who can resist a plucky heroine who is determined to help write an unfinished romance novel by her favorite author! ” —B.R. Myers, author of Rogue Princess

In this powerful book, filled with gripping, real-life stories, you will be guided toward your path of freedom. As you follow along the author's journey, she will reveal new insights to give you strength, courage, and confidence to achieve what you once felt was impossible. You no longer need to spend years of your life shackled to the chains of self-doubt, blame, unforgiveness, and stagnation.

The best-selling, no-holds-barred classic every lawyer, everyone involved in the media, & anyone interested in criminology must read if the failing justice

system is to be saved.

‘ Fast-paced, irreverent, and very funny, *The Spellman Files* is like *Harriet the Spy* for grown-ups ’ Curtis Sittenfeld, author of *Eligible* and *American Wife* Izzy Spellman is 28, single and works for Spellman Investigations, a family-run private detective agency. She might have a chequered past littered with romantic mistakes - but at least she's good at her job. Invading people's privacy comes naturally. To the whole family. To be a Spellman is to snoop on a Spellman; tail a Spellman; dig up dirt on, blackmail and wire-tap a Spellman. But when Izzy's parents hire her 14-year-old sister to discover the identity of her new boyfriend, Izzy decides she wants out. Before they'll let her go, her parents ask her to solve one last case - a 15-year-old, ice-cold, missing person, impossible-to-solve case. But when a disappearance occurs far closer to home, Izzy's Impossible Case becomes the most important of her life. ‘ Hilarious. My enjoyment of *The Spellman Files* was only slightly undercut by my irritation that I hadn't written it myself. The funniest book I've read in years! ’ Lauren Weisberger, author of *The Devil Wears Prada* ‘ *The Spellman Files* is hilarious, outrageous, and hip. Izzy Spellman, P.I., is a total original, with a voice so fresh and real, you want more, more, more. At long last, we know what Nancy Drew would have been like had she come from a family of lovable crackpots. Lisa Lutz has created a delicious comedy with skill and truth. I loved it ’ Adriana Trigiani, author of *Lucia*, *Lucia* and *Big Stone Gap*

If there is such a thing as reason, it has to be universal. Reason must reflect objective principles whose validity is independent of our point of view--principles that anyone with enough intelligence ought to be able to recognize as correct. But this generality of reason is what relativists and subjectivists deny in ever-increasing numbers. And such subjectivism is not just an inconsequential intellectual flourish or badge of theoretical chic. It is exploited to deflect argument and to belittle the pretensions of the arguments of others. The continuing spread of this relativistic way of thinking threatens to make public discourse increasingly difficult and to exacerbate the deep divisions of our society. In *The Last Word*, Thomas Nagel, one of the most influential philosophers writing in English, presents a sustained defense of reason against the attacks of subjectivism, delivering systematic rebuttals of relativistic claims with respect to language, logic, science, and ethics. He shows that the last word in disputes about the objective validity of any form of thought must lie in some unqualified thoughts about how things are--thoughts that we cannot regard from outside as mere psychological dispositions.

“ An insightful memoir that uncovers unique stories about matters of the heart. ” —*Essence* The inspiring New York Times bestseller from Common—the Grammy Award, Academy Award, and Golden Globe – winning musician, actor, and activist—explores how love and mindfulness can build communities and allow you to take better control of your life through actions and words. Common believes that the phrase “ let love have the last word ” is not just a declaration; it is a statement of purpose, a daily promise. Love is the most powerful force on the planet, and ultimately the way you love determines who you are and how you experience life. Touching on God, self-love, partners, children, family, and community, Common explores the core tenets of love to help us understand what it means to receive and, most importantly, to give love. He moves from the personal—writing about his daughter, to whom he wants to be a better father—to the universal, where he observes that our society has become fractured under issues of race and politics. He knows there ’ s no quick remedy for all of the hurt in the world, but love—for yourself and for others—is where the healing begins. In his first public reveal, Common also shares a deeply personal experience of childhood molestation that he is now confronting...and forgiving. Courageous, insightful, brave, and characteristically authentic, *Let Love Have the Last Word* shares Common ’ s own unique and personal stories of the people and experiences that have led to a greater understanding of love and all it has to offer. It is a powerful call to action for a new generation of open hearts and minds, one that is sure to resonate for years to come.
