The Sentinel (Jane Harper Horror): Bishop, Jeremy ...

Told from the POV of caring-but-snarky, intelligent-but-relatable Jane Harper, The Sentinel tells the story of a group of marooned whalers and anti-whalers who have to join forces to stave off an undead enemy that becomes more powerful with every life it claims.

The Sentinel by Jeremy Bishop - Goodreads

Jane Harper entered the pages as an interesting character. She would soon lend herself to a sarcastic wit that I identified with. She at times becomes self deprecating in a humorous sense that made this character real.

In the frigid waters off the Arctic Ocean, north of Greenland, the anti-whaling ship The Sentinel, and her crew face off against a harpoon ship in search of Humpback whales. When the two ships collide and a suspicious explosion sends both ships to the bottom, the crews take refuge on what they think is a peninsula attached to the mainland, but is actually an island, recently freed from a glacial ice bridge.

Jane Harper leads the two crews, who must work together to defend themselves against an ancient evil upon which the modern stories of both zombies and vampires are based.

Audiobooks matching keywords the lost man jane harper ...

Jane Harper is a strong female character and lead - courageous, witty, and a sharp sensibility. It's only 8 hours long, though it felt shorter. Beresford's narration is best when she speaks for 3 of the main female characters and maybe 2 of the men.

Jane Harper started out as an undercover whistleblower among a group of radical activists butting bulkheads with whaling ships in the Arctic Ocean.

The Raven (Jane Harper Horror Novels, #2) by Jeremy Bishop

Jane Harper is a strong female character and lead - courageous, witty, and a sharp sensibility. It's only 8 hours long, though it felt shorter. Beresford's narration is best when she speaks for 3 of the main female characters and maybe 2 of the men.

Two crews, one from a whaler and the other from the anti-whaling ship, the Sentinel, find themselves stranded on an island north of Greenland after a suspicious explosion sends both ships to the bottom. The opposing crews must work together to defend themselves against an ancient evil which may be the source of modern stories of both zombies and vampires.

A battle to the death with six-hundred-year-old zombie Vikings in the frozen far North was just the beginning.... Undercover activist Jane Harper and father-and-son whalers Jakob and Willem Olavson thought they sent the walking corpses to their graves for good, but the intelligent parasites controlling the dead flesh lived on to keep fighting, and infecting. This time, though, even if Jane and her crew can conquer an army of murderous and cunning zombie whales, they'll still face a floating graveyard of ghost ships packed stem to stern with the next wave of the ravenous undead... who are hungry to settle the score with the last hope of humankind.

Goodreads Choice Award Finalist (Mystery & Thriller, 2018) BookBrowse Best Books of 2018 Winner of the Prix Polar Award for Best International Novel BookRiot 's 25 Best Suspense Books from 2018 Davitt Awards shortlist for Adult Crime Novel 2018 Dead Good Reads shortlist for Best Small Town Mystery 2018 Five women go on a hike. Only four return. Jane Harper, the New York Times bestselling author of The Dry, asks: How well do you really know the people you work with? When five colleagues are forced to go on a corporate retreat in the wilderness, they reluctantly pick up their backpacks and start walking down the muddy path. But one of the women doesn't come out of the woods. And each of her companions tells a slightly different story about what happened. Federal Police Agent Aaron Falk has a keen interest in the whereabouts of the missing hiker. In an investigation that takes him deep into isolated forest, Falk discovers secrets lurking in the mountains, and a tangled web of personal and professional friendship, suspicion, and betrayal among the hikers. But did that lead to murder? "Force of Nature bristles with wit; it crackles with suspense; it radiates atmosphere. An astonishing book from an astonishing writer." —A.J. Finn, author of The Woman in the Window Select praise for The Dry: "One of the most stunning debuts I've ever read. Every word is near perfect. Read it!" —David Baldacci, #1 New York Times bestselling author "A breathless page-turner ... Ms. Harper has made her own major mark." —The New York Times

INSTANT NEW YORK TIMES BESTSELLER Two brothers meet in the remote Australian outback when the third brother is found dead, in this stunning new standalone novel from Jane Harper Brothers Nathan and Bub Bright meet for the first time in months at the remote fence line separating their cattle ranches in the lonely outback. Their third brother, Cameron, lies dead at their feet. In an isolated belt of Australia, their homes a three-hour drive apart, the brothers were one another's nearest neighbors. Cameron was the middle child, the one who ran the family homestead. But something made him head out alone under the unrelenting sun. Nathan, Bub and Nathan's son return to Cameron's ranch and to those left behind by his passing: his wife, his daughters, and his mother, as well as their long-time employee and two recently hired seasonal workers. While they grieve Cameron's loss, suspicion starts to take hold, and Nathan is forced to examine secrets the family would rather leave in the past. Because if someone forced Cameron to his death, the isolation of the outback leaves few suspects. A powerful and brutal story of suspense set against a formidable landscape, *The Lost Man* confirms Jane Harper, author of *The Dry* and *Force of Nature*, is one of the best new voices in writing today.

DIV In her entertaining and edifying New York Times bestseller, acclaimed author Francine Prose invites you to sit by her side and take a guided tour of the tools and tricks of the masters to discover why their work has endured. Written with passion, humour and wisdom, *Reading Like a Writer* will inspire readers to return to literature with a fresh eye and an eager heart — to take pleasure in the long and magnificent sentences of Philip Roth and the breathtaking paragraphs of Isaac Babel; to look to John le Carré for a lesson in how to advance plot through dialogue and to Flannery O'Connor for the cunning use of the telling detail; to be inspired by Emily Brontë's structural nuance and Charles Dickens's deceptively simple narrative techniques. Most importantly, Prose cautions readers to slow down and pay attention to words, the raw material out of which all literature is crafted, and reminds us that good writing comes out of good reading. /div

Death and Pixie Dust! Once upon a time, a mysterious plague beset a quiet village in the woods—a plague of the walking dead. Suddenly, beloved fairy tale characters are thrown into a world of stark violence and horror: Cinderella is worked to death before the ball, Pinocchio is made from children's corpses, and Little Red Riding Hood finds more than wolves in the forest. Surreal and full of black humor, *Zombie Fairy Tales* is a genre-bending narrative of a world on the brink of apocalypse, a world with no happily ever afters. Collected here are all 12 original *Zombie Fairy Tales*, plus a new 13th tale exclusive to this collection!

Instant New York Times Bestseller “As always, Harper skillfully evokes the landscape as she weaves a complicated, elegant web, full of long-buried secrets ready to come to light.” -The New York Times Book Review Kieran Elliott's life changed forever on the day a reckless mistake led to devastating consequences. The guilt that still haunts him resurfaces during a visit with his young family to the small coastal community he once called home. Kieran's parents are struggling in a town where fortunes are forged by the sea. Between them all is his absent brother, Finn. When a body is discovered on the beach, long-held secrets threaten to emerge. A sunken wreck, a missing girl, and questions that have never washed away...

Tracing the complicated friendship of two very different women who meet in college, *She Poured Out Her Heart* is a novel of remarkable psychological suspense, crafted by National Book Award finalist Jean Thompson. The night that Jane and Bonnie meet on a college campus sets them on paths forever entwined. Bonnie, the wild and experimental one, always up for anything, has spent the past two decades bouncing between ill-fated relationships, while Jane's seemingly perfect life, perfect husband, and perfect children have all but materialized out of a fantasy. But these appearances contradict the quiet, inescapable doubt Jane feels about her life. One night, in the middle of her own Christmas party, she steps outside into the snow, removes her clothing and shoes, and lies down in the backyard. When she is discovered, nothing is the same for anyone. As Jane begins to have visions and retreat into a private inner world, Bonnie finds herself drawn inevitably into an affair with Jane's husband. Thompson's mastery of complex emotion begets a novel of desire and the nature of love—who we love, how we're loved, and, most important, that we reach urgently and always for a higher love, regardless of our circumstances. *She Poured Out Her Heart* is a finely wrought, haunting story of female friendship and deception, and the distance in between.

An extensively revised and updated edition of the bestselling biography of Harper Lee, reframed from the perspective of the recent publication of Lee's *Go Set a Watchman* To Kill a Mockingbird—the twentieth century's most widely read American novel—has sold thirty million copies and still sells a million yearly. In this in-depth biography, first published in 2006, Charles J. Shields brings to life the woman who gave us two of American literature's most unforgettable characters, Atticus Finch and his daughter, Scout. Years after its initial publication—with revisions throughout the book and a new epilogue—Shields finishes the story of Harper Lee's life, up to its end. There's her former agent getting her to transfer the copyright for *To Kill a Mockingbird* to him, the death of Lee's dear sister Alice, a fuller portrait of Lee's editor, Tay Hohoff, and—most vitally—the release of Lee's long-buried first novel and the ensuing public devouring of what has truly become the book of the year, if not the decade: *Lee's Go Set a Watchman*.

“A perfect book” —and basis for the *Maggie Smith* film—about a teacher who makes a lasting impression on her female students in the years before World War II (Chicago Tribune). “Give me a girl at an impressionable age, and she is mine for life!” So asserts Jean Brodie, a magnetic, dubious, and sometimes comic teacher at the conservative Marcia Blaine School for Girls in Edinburgh. Brodie selects six favorite pupils to mold—and she doesn't stop with just their intellectual lives. She has a plan for them all, including how they will live, whom they will love, and what sacrifices they will make to uphold her ideals. When the girls reach adulthood and begin to find their own destinies, Jean Brodie's indelible imprint is a gift to some, and a curse to others. *The Prime of Miss Jean Brodie* is Spark's masterpiece, a novel that offers one of twentieth-century English literature's most iconic and complex characters—a woman at once admirable and sinister, benevolent and conniving. This ebook features an illustrated biography of Muriel Spark including rare photos and never-before-seen documents from the author's archive at the National Library of Scotland.
