"Under the Tuscan Sun" is an alluring example of yuppie porn, seducing audiences with a shapely little villa in Italy. While once Katharine Hepburn journeyed to Venice, met Rossano Brazzi and jumped into the Grand Canal, now Diane Lane journeys to Tuscany and jumps into real estate. She does find romance, to be sure, but it's not what she's looking for and, besides, a villa pleasures her all day long.

Frances Mayes, whose enchanting #1 New York Times bestseller *Under the Tuscan Sun* made the world fall in love with Tuscany, invites readers back for a delightful new season of friendship, festivity, and food, there and throughout Italy. Having spent her summers in Tuscany for the past several years, Frances Mayes relished the opportunity to experience the pleasures of primavera, an Italian spring. A sabbatical from teaching in San Francisco allowed her to return to Cortona—and her beloved house, Bramasole—just as the first green appeared on the rocky hillsides. *Bella Tuscany*, a companion volume to *Under the Tuscan Sun*, is her passionate and lyrical account of her continuing love affair with Italy. Now truly at home there, Mayes writes of her deepening connection to the land, her flourishing friendships with local people, the joys of art, food, and wine, and the rewards and occasional heartbreaks of her villa's ongoing restoration. It is also a memoir of a season of change, and of renewed possibility. As spring becomes summer she revives Bramasole's lush gardens, meets the challenges of learning a new language, tours regions from Sicily to the Veneto, and faces

Nell Valenti is at ease when managing a farm to table cooking school in sun-dappled Tuscany, but begins to feel the heat when tasked with catching a killer, in this engaging Italian-set cozy mystery series. When a wealthy New York philanthropist pays top dollar for a private, four-day ziti workshop, Nell Valenti wants everyone at the Orlandini cooking school focused on the task at hand. But complications abound when Nell's boyfriend Pete Orlandini rushes to Rome for an unexpected business trip, Chef Orlandini is more preoccupied with a potential spot on an American cooking show than preparing for the workshop, and an uninvited woman sneaks into the villa to inspect Pete's olive grove. The last disturbance proves deadly, and when the woman's body is found in the grove, Nell must investigate before her hopes for the workshop, like the olives, are crushed. Nell now has another item on her checklist--keep the Orlandinis out of trouble and the wealthy ziti-lovers happy while she looks into the stranger's past. When Nell discovers that for one of the Orlandinis, at least, the murder victim was not such a stranger after all, she'll learn that when a detective goes digging in Italy, she'd better be ready for truffle.

bestselling author of *Under the Tuscan Sun* and *See You in the Piazza* “A love letter to Italy written in precise and passionate language of near-poetic density.”—*Newsday* In *Tuscany* celebrates the abundant pleasures of life in Italy as it is lived at home, at festivals, feasts, restaurants and markets, in the kitchen and on the piazza, in the vineyards, fields, and olive groves. Combining essays by Frances Mayes and a chapter by her husband, poet Edward Mayes, with more than 200 full-color photos by photographer Bob Krist, each of this book's five sections highlights a signature aspect of Tuscan life: *La Piazza*: the locus of Italian village life. With photographs of the shop signs, the outdoor markets, medieval streets, people, their pets and their cars, and snippets of conversations overheard, Mayes reveals the life of the Piazza in her town of Cortona as well as out-of-the-way places such as Volterra, Asciano, Monte San Savino, and Castelmuzio. *La Festa*: the celebration. Essays and photos of feasts and celebrations, such as the Christmas dinner for twenty-seven at a neighbor's house and a donkey race around the church at Montepulciano Stazione, illustrate how the Tuscans celebrate the seasons--their open ways of friendship, their connection to nature, and most of all, their sense of abundance. *Il Campo*: the field. Here Edward Mayes evokes the deep sense of the shift of seasons as he picks olives before he and Frances head off to the olive oil mill and enjoy the first bruscette with new oil. *La Cucina*: the kitchen. An intimate view of the all-important role of the kitchen in Tuscan culture, including photographs of her own kitchen and gardens, menus from great local cooks, the elements of the Tuscan table, dishes with cultural and culinary notes on each, and, of course, delectable recipes. *La Bellezza*: the beauty. From the quality of the light falling on sublime landscapes in different seasons and Tuscan faces in moments of laughter to a silhouette of cypress trees in the early evening and a wild bird

Over the past several years, "the American in Tuscany" has become a literary subgenre. Launched by the phenomenal success of Frances Mayes's *Under the Tuscan Sun*, bookstores now burgeon with nimble, witty accounts of this clash in cultures-Americans trying to do American things in Italy and bumping against a brick wall of tradition. Too Much Tuscan Sun is Dario's, a Tuscan guide whose client base is predominantly American, account of some of his more remarkable customers, from the obsessive and the oblivious to the downright lunatic.
